

April 12, 2019

We are proud to invite you to partner with us for the 2nd annual Buzz Off Cancer presented by the Quincy Medical Group Healthcare Foundation. Last year, with the help of our sponsors and the dedication of our 'buzzees,' we raised \$30,000 to support local individuals during their fight against cancer. Those funds alleviated financial burden and provided:

- 25 months of mortgage and rent in the amount of \$12,800 to ensure individuals could remain in their homes;
- 15 months of car payments and 7 months of car insurance for a total of more than \$7,300 to ensure patients were able to make it to their treatments;
- 21 tanks of gas to help individuals afford to travel to out-of-town appointments;
- 5 cases of crippling bad debt totaling more than \$8,000 which helped patients get back on their feet financially; and
- nearly \$1,100 in utilities to help keep the lights and water turned on.

Buzz Off Cancer is a family-friendly event that features individuals who have raised money to shave their head in honor of a loved one and in recognition of the journey of many cancer patients. The evening is a celebration of life and the will-power to overcome. It is also a chance to remember those who have lost their battle.

I would like to ask for your support and participation as we Buzz Off Cancer. Sponsorship levels and benefits can be found on the back of this letter. If you are unable to sponsor this event but have an employee who would like to participate as a shavee, please have them contact me as soon as possible.

We appreciate your consideration to support this event and hope you will mark your calendars to attend on June 22 at 5:00 p.m. This year's event will be held at One, 600 Hampshire street, and on the 6th Street Promenade.

Sincerely,
